<http://www.janesampson.com>

## Boutique theatre

**Boutique Theatre: Website**

Collaborated with a local burlesque company, Boutique Theatre, on a range of projects involving website design and video show-reels and have created posters and flyers for their shows. I have also seen my work published extensively in the local press

<http://www.boutiquetheatre.co.uk/>

## Digital induction

**Developing students' digital learning skills within the digital sphere. OER for PGCE - Induction Programme 2012/13**

New Media project, Developing students Digital Learning Skills within the digital sphere: Designed and Developed an online Digital Induction programme: using Indesign Ebooks, Adobe Flash, Flash Media Server, FLV and MP4 video, XML and PHP.

<http://stream.northbrook.ac.uk/test/induction/induction.html>

## Photoshop basics

**How to make a banner**

Volunteered to deliver a college wide Continuing Professional Development Workshop using basic Adobe Photoshop to create Web Banners and Greeting cards. It was pitched to encourage staff to create intuitive and visually appealing web experiences for their blackboard courses.

<http://www.taylormadeproductions.co.uk/PhotoShopBasics/index.html>

## Streaming server project

**The Streaming Server Project**

Redesigned the Streaming Server into a digital repository, restructured the mysql database using dublin core cataloguing to integrate it into college-wide library services. The repository is now asesible through Ebsco's Discovery Service provides users with access to an institution's entire collection via a single search.

<http://stream.northbrook.ac.uk/oer/>

## Resources Database

**The Creative Arts Resources Database**

The database was setup to collate and identify resources available with in Northbrook College's, Creative Arts Flexible Learning Areas, with the intention of integrating with college-wide library/resource services.
